

Value of CBOA / IAABO/ Membership

CBOA is an organization, founded in 1948, primarily affiliated with DII & DIII NCAA Men's Basketball Officials. As changes have happened in the way College Basketball Officiating is educated over the past several years, it's become important that CBOA evolve to continue providing value to the current membership.

CBOA training & development program, allows an official to sharpen their rules knowledge, to move up the college officiating ranks.

CBOA's interpreters will give the membership a strong rules foundation.

CBOA Benefits:

- *Broad range of experienced officials who continually learn & mentor up and coming members
